

# NEW TO YOU

We bring you a weekly bite-size review of the most exciting new products on the market to help you revitalise your sales floor and stay abreast of hot trends for the coming year in retail

**1. Quirico**

The Quirico Company specialises in sourcing beautiful, interesting and well-made pieces of furniture from around the world, including Europe and the Middle East.

**2. Dovetail Lifestyle Furniture**

Providing dining chairs with a difference, Dovetail offers an enormous amount of choice. With a total of 120 fabrics from the Stuart Jones A&B book – and seven types of leg also available – the possibilities for unique dining settings are seemingly unending. For details, contact the 3D Partnership: **01565 613077**.

**3. Spina Design**

This gliding sateen panel is the invention of Spina. Used as a decorative room divider, it is made of double satin ribbon with crystal detailing.

**8. Alexena Cayless**

With a diverse port folio, furniture designer Alexena Cayless produces original pieces that invite exploration and discussion. Given a new "skin", so to speak, these chairs have been given a new lease of design life, with a fresh and contemporary feel.

**9. Alex R**

A glass artist, Alex R's work is immediately compelling and opulent. Blending intricate surface detail with vibrant colours, each piece is hand-made in her London-based studio.

**10. Catherine Hammerton**

Intricate, bespoke and detailed are just three ways to describe the wallpaper of Catherine Hammerton. Also a textile artist, her work has an up tempo vintage feel that works well with kitsch and contemporary styling.
